Cường Nguyễn

Student at University of Information Technology

Thủ Đức, Ho Chi Minh City, Vietnam

Summary

I am a dedicated Information Technology student currently seeking opportunities as a Java Developer or Web Developer. While I have not yet completed an internship with a company, I have gained valuable experience through several personal projects. My skill set includes proficiency in ReactJS, TailwindCSS, JavaScript, NodeJS, Spring Boot, Java, SQL Server, and PostgreSQL. I am eager to apply my knowledge and grow within a professional environment.
